

Activities Care Planning Intensive (Remote Learning Edition)

The Activities Care Planning Intensive is an 8-hour training program designed to enhance students' knowledge of the care planning process, discuss the regulations regarding care plans and the process of person-centered care planning and practice skills needed to write stellar care plans. The course is designed for Activity Professionals who are seeking to improve their skills and gain continuing education specialized in care planning to use toward national certification as ADC. 8 CE hours are available for Activity Professionals.

Through this course, students will

- *Review the care planning process and regulations in the activity modality.*
- *Identify person-centered language to use in care planning.*
- *Practice writing care plans using person-centered language.*
- *Practice presenting care plans to an interdisciplinary care planning team.*

Details:

- **When:** Thursday Nights 7-9PM Eastern Time Starting September 3rd (4 sessions)
- **Where:** The Comfort of Your Home through Live Zoom® Webinars
- **Cost:** \$95.00 (non MEPAP Students); \$70.00 (MEPAP Students)

To Participate in this course, you will need a computer with a webcam and a reliable hi-speed internet connection. Content and lessons will be posted weekly. Students must attend all live sessions to receive continuing education credit.
